

Trotting stars take over the spotlight during the final day of action at Santa Anita as Western Harness Racing Assn. closes out the 1965 spring season with the \$20,000 California Trot closing day tomorrow.

Special 440 Race Added to Relays

Headed by Willie Aterberry and Jim DuPree, an outstanding field was announced today for the special 440 race to be run at the Inglewood Relays Friday, at Sentinel Field in Inglewood.

Aterberry, from Michigan State, and DuPree, from Southern Illinois, were added to the field when Mike Larrabee and Bill Toomey were forced to withdraw to compete in an indoor meet in London.

The national 400 meter hurdle champion, Aterberry, who competed in the Relays last year, had the best intermediate hurdle time in the world last year until it was eclipsed by Olympians Rex Cawley and Jay Luck.

His top 440 time is 45.8, run on a relay leg in Germany. DuPree, a former national indoor 1,000 yard champion and 800 meter outdoor champion, will be taking one of his rare cracks at the 440.

The field also includes John Bork from Western Michigan, the top half-miler in the country in 1963; Gary Comer, the former USC star anchor man who has been running the quarter for the Southern California Striders.

Harris Williams, the outstanding Centennial High product who has been running on the Striders' two-mile relay team; Jack Vanderknyff, the 47-flat quarter-miler from Redlands who is coming off a 47.4 from an outside lane start and shooting for 46-flat in the Inglewood Relays, and Rich Achee, the Pierce graduate who ran on the indoor mile relay team which upset Camp Pendleton Marines this year, also will compete.

The Inglewood Relays record for the event is 47.5, set by Larrabee in 1963 and equalled by world record holder Adolph Plummer last year.

Pro Soccer Clubs Compete

Mexico's fairy footed Club Zacatepec, one of the finest pro soccer clubs of the neighboring republic, opens a two game international program in Los Angeles against the all-stars of the California League tomorrow night at Rancho Cienega Stadium.

Kickoff is at 8:30 p.m. with a preliminary at 6:30 between the Club Leon of Mexico veterans and the Greater L.A. League's "B" picked stars.

Quarter-Horse Favorites To Be Missing

When the spring quarter horse season opens at Los Alamitos Friday the barns and stable areas will be saturated with the swiftest older horses in the land plus a new and promising crop of two year olds.

Two of the greatest horses ever to grace a winners circle, however, will be absent and sadly missed by the fans. The two are Vandy's Flash and Black Barred, who, between them, ran and won more races in a combined total of sixteen years than any other pair of horses in the quarter horse field.

Laker Games Scheduled for 'Live' Showing

The Los Angeles Lakers meet the Baltimore Bullets in the NBA semi-final basketball games to be telecast on KTTV, tonight and 5:30 p.m. and Friday at the same hour.

The two action-packed games will be seen "live" on Channel 11 from Baltimore, Maryland, with Chick Hearn calling the play-by-play.

Bill Welsh, KTTV's director of sports and special events will present a special 15 minute pre-game warm-up preceding and wrap-up program following each game.

Tanner, Schultz Favored In Ascot Cycle Opener

Sammy Tanner and Elliott Schultz, the famed win twins of motorcycle racing, go post-ward as co-favorites Friday night at Ascot Park when J. C. Agajanian opens the seventh season of flat-track whizzing around the fast half-mile dirt oval.

The American Motorcycle Assn. sanctioned 16-event program starts at 8:30 p.m. with one-lap qualifying for the record field of 147 riders. Under fire in the solo speeding will be the Ascot record of 22.44, held by Schultz of South Gate on his Royal Enfield.

Tanner of Long Beach, three time national dirt track champion, will be defending his Ascot flat-track title he won on the final night of the 1964 season, 19 points over Schultz.

Along with the co-favorites, Friday night's expert field includes state champ Blackie Bruce, Norwalk; Dan Haaby of Lawndale, 1964 national AMA amateur champion; Guy

Louis, Lynwood; Dick Hammer, Lakewood, Bob Bailey and Ralph White, Torrance; Neil Keen, Pasadena; Ron Neison, Palmdale, and some 40 more.
